Welcome to the seventh auction of 2016 for Phillip Arnold Auctions, held at our regular venue of the Doubletree by Hilton Hotel, Ealing Common W5, starting as usual at 12 noon.

Our October auction saw a packed room and some stunning prices being achieved once again for London stock, in particular, two probate properties in West London. The first one, a 4 bedroom detached property in Uxbridge went for £490,000 off a guide of £375,000 and the second one, a 3 bedroom semi-detached house in Harrow, sold for £525,000 off a guide of £300,000. Other highlights included a 2 bedroom garden flat in Ealing that achieved £338,000 off a guide of £250,000.

We have some equally tasty properties for you in this catalogue: the popular 9 Beechcroft Avenue in Harrow is now ready for sale with the legal pack fully available this time, and a prime lot in need of complete refurbishment in Bentley, Hampshire from the Government Legal Dept, that has already attracted a great deal of interest. A2 Dominion's stunning property in Banbury is also now ready for sale and closer to home we have an end of terrace house in Hillingdon in need of updating throughout.

We hope you will enjoy browsing through our lots and look forward to seeing you at our last auction of the year on 7th December.

Good luck with your bidding and may we take this opportunity to wish you all an enjoyable festive season and a very Happy New Year.

This catalogue contains details about properties being sold at auction. Those details are subject to change up to and including the day of the auction. Please check our website regularly at www.philliparnoldauctions.co.uk and look out for any additional materials available on the day of the auction, in order to stay fully informed with the up to date information. The lots offered will contain guide prices and it is important that buyers are aware of the difference that there may be between a guide price and a reserve price.

Guide Price: This is an indication of the seller's current minimum acceptable price at auction. The guide price is given to assist prospective buyers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Reserve Price: The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

In order to confirm with the Money Laundering Regulations, all prospective purchasers must be able to verify their identity. The following schedule of documents must be provided to the auctioneers either at the auction or at the point of signing contracts prior or post sale, in order for us to be able to conduct business with you. Each purchaser must provide one original document from the following lists.

LIST A

- Current signed passport
- current UK photocard driving licence
- current full UK driving licence (old version)
- Firearms certificate

LIST B

- Utility bill issued within the last three months (mobile phone bill not acceptable)
- Local authority tax bill (valid for the current year)
- Bank or building society statement (must contain current address)
- The most recent original mortgage statement
- Confirmation from the electoral roll

If you are acting as AGENT, on behalf of another party, the auctioneers will require true certified copies of the buyers identification and identification of yourself as listed above, together with a letter of authority from the principal buyer authorising you to bid on their behalf.

If you are bidding on behalf of a company, the above documentation will be required along with a letter of authority from the said company to purchase on their behalf.

Proxy and telephone bidding

The Auctioneers will accept bids by proxy or telephone. In all cases buyers will be required to fill out the relevant bidding form prior to the auction day.

A deposit cheque will be required to accompany the bidding form and will only be banked in the event that your bid is successful. The cheque should be made payable to the relevant auctioneers and should be left blank or filled in to represent 10% of the bidders maximum bid. Only if the bid is successful will the cheque be completed and presented for payment. The amount shall be for 10% of the purchase price

subject to a minimum amount of £2,000. In addition, the buyer's fee of £500 +VAT will also be added. Unsuccessful bidders will have the cheque returned to them or it will be destroyed dependant upon their instructions. The auctioneers will also require identification to accompany the form and cheque in accordance with the money laundering regulations.

Proxy and telephone bidding forms, together with terms and conditions for submitting bids in this manner, are available by contacting Phillip Arnold Auctions or alternatively can be downloaded from our website.

Notice to prospective buyers

1. The Auctioneers will generally offer the lots in the order as shown in the catalogue, although they reserve the right to amend the order of sale.
2. The addendum is an important document and provides details of amendments to the catalogue and Conditions of Sale. Prospective buyers should ensure that they inspect this document as its contents will form part of the sales contract. Prospective buyers should ensure that they have a copy of the catalogue and addendum prior to bidding and are deemed to have read these documents whether they have done so or not.
3. Phillip Arnold Auctions will always endeavour to inform prospective purchasers of variations to the catalogue, when such changes are brought to their attention. The Auctioneers nor their clients can be held responsible for any losses, damages or abortive costs incurred in respect of lots that are withdrawn or sold prior to auction.
4. Prospective buyers bid on the basis that they have checked the General Conditions of Sale, that are detailed at the back of the catalogue, and the Special Conditions of Sale relating to each individual lot. If there is a conflict between them, the Special Conditions of Sale shall prevail. Details are contained within the legal packs for each lot that are available for inspection at the offices of the Auctioneers or can be downloaded free of charge from the website. Legal documents will also be available in the auction room on the day of the sale.
5. Prospective buyers bid on the basis that they are deemed to have inspected all lots, have made all necessary enquiries and have checked the legal documentation. Buyers are deemed to be satisfied that they fully understand their content. The Auctioneers strongly suggest that buyers take legal and professional advice prior to bidding on any lot. The Auctioneers will make every possible endeavour to provide access to all lots prior to the sale although this can not be guaranteed. The Auctioneers will attempt to answer any queries prior to auction and in the auction room. The Auctioneer will not be able to answer any questions whilst the auction is proceeding.
6. Guide price*: this is an indication of the Seller's current minimum acceptable price at auction. The guide price is given to assist prospective buyers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the Seller and the Auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the Seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This Guide Price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A Guide Price is different to a Reserve Price (see separate definition). Both the Guide Price and the Reserve Price can be subject to change up to and including the day of the auction.
7. *Reserve Price*: The Seller's minimum acceptable price at auction and the figure below which the Auctioneer cannot sell. The Reserve Price is not disclosed and remains confidential between the Seller and the Auctioneer. Both the Guide Price and the Reserve Price can be subject to change up to and including the day of the auction.
8. On the day of sale it is the bidder's duty to attract the Auctioneer's attention and prospective buyers are therefore advised to bid clearly without delay. Bids may be refused at the Auctioneers discretion and the Auctioneers reserve the right to bid on behalf of the vendor up to the reserve. At the fall of the hammer the successful bidder will be under a binding contract to purchase the property in accordance with the general and special conditions of sale, together with addendum and contents of this notice. The buyer will be required to supply without delay their name and address, solicitors details, identification and deposit. They will then be required to sign the auction memorandum. Should the buyer refuse, the Auctioneer is legally entitled to sign the memorandum on behalf of the buyer or alternatively offer the lot to the under bidder or re-offer to the room and claim any resultant loss against the original buyer. Completion of the sale and payment of the balance of the purchase money is 28 days after the exchange of contracts unless the conditions of sale provide otherwise.
9. A deposit amount of 10% of the selling price (plus VAT where applicable) is required for each lot subject to a minimum of £2,000 unless otherwise stated by the Auctioneer. Payment can be made by bankers draft, building society cheque, company cheque or personal cheque or by debit card with a pin number. Please note we will not accept cash under any circumstances. The Auctioneers only accept deposit cheques on the basis that there are adequate funds in the account on which the cheque is drawn and reserve the right to take any action as appropriate against a purchaser whose cheque is not honoured on first presentation. We can accept credit cards but please be advised that an additional 1.65% will be charged at time of use.
10. A successful purchaser will also be required to pay a Buyer's Administration charge of £600 inclusive of VAT by cheque made payable to Phillip Arnold Auctions.
11. Unless otherwise stated all property is sold subject to a reserve price whether declared or not.
12. Please note that purchasers will not be entitled to keys or access to vacant properties until completion of the sale. If access is required it may be arranged through the relevant Auctioneers with the express permission of the vendor. The buyer will be responsible for insuring the lot that they purchase from exchange of contracts unless the Special Conditions of Sale state otherwise.
13. No representation or warranty is made in respect of the structure of any properties or in relation to their state of repair. The Auctioneers advise that all prospective buyers should arrange for a survey of the particular lot by a professionally qualified person.
14. Unless otherwise provided in the Special Conditions of Sale, all lots are sold exclusive of VAT.
15. If bidding by telephone, the Auctioneers accept no liability for poor signal or being unable to reach the prospective buyer at the time required.

Common Auction Conditions

Common Auction Conditions (3rd Edition August 2009 – reproduced with the consent of the RICS).

The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

INTRODUCTION

The Common Auction Conditions have been produced for real estate auctions in England and Wales to set a common standard across the industry. They are in three sections:

1. **Glossary** The glossary gives special meanings to certain words used in both sets of conditions.
2. **Auction Conduct Conditions** The Auction Conduct Conditions govern the relationship between the auctioneer and anyone who has a catalogue, or who attends or bids at the auction. They cannot be changed without the auctioneer's agreement. We recommend that these conditions are set out in a two-part notice to bidders in the auction catalogue, part one containing advisory material – which auctioneers can tailor to their needs – and part two the auction conduct conditions.
3. **Sale Conditions** The Sale Conditions govern the agreement between each seller and buyer. They include general conditions of sale and template forms of special conditions of sale, tenancy and arrears schedules and a sale memorandum.

Important notice

A prudent buyer will, before bidding for a lot at an auction:

- Take professional advice from a conveyancer and, in appropriate cases, a chartered surveyor and an accountant;
- Read the conditions;
- Inspect the lot;
- Carry out usual searches and make usual enquiries;
- Check the content of all available leases and other documents relating to the lot;
- Check that what is said about the lot in the catalogue is accurate;
- Have finance available for the deposit and purchase price;
- Check whether VAT registration and election is advisable;

The conditions assume that the buyer has acted like a prudent buyer. If you choose to buy a lot without taking these normal precautions you do so at your own risk.

GLOSSARY

This glossary applies to the auction conduct conditions and the sale conditions. Wherever it makes sense:

- singular words can be read as plurals, and plurals as singular words;
- a "person" includes a corporate body;
- words of one gender include the other genders;
- references to legislation are to that legislation as it may have been modified or re-enacted by the date of the auction or the contract date (as applicable); and
- where the following words printed in bold black type appear in bold blue type they have the specified meanings.

Actual completion date The date when completion takes place or is treated as taking place for the purposes of apportionment and calculating interest.

Addendum An amendment or addition to the conditions or to the particulars or to both whether contained in a supplement to the catalogue, a written notice from the auctioneers or an oral announcement at the auction.

Agreed completion date Subject to condition G9.3: (a) the date specified in the special conditions; or (b) if no date is specified, 20 business days after the contract date; but if that date is not a business day the first subsequent business day.

Approved financial institution Any bank or building society that has signed up to the Banking Code or Business Banking Code or is otherwise acceptable to the auctioneers.

Arrears Arrears of rent and other sums due under the tenancies and still outstanding on the actual completion date.

Arrears schedule The arrears schedule (if any) forming part of the special conditions.

Auction The auction advertised in the catalogue.

Auction conduct conditions The conditions so headed, including any extra auction conduct conditions.

Auctioneers The auctioneers at the auction.

Business day Any day except (a) a Saturday or a Sunday; (b) a bank holiday in England and Wales; or (c) Good Friday or Christmas Day.

Buyer The person who agrees to buy the lot or, if applicable, that person's personal representatives: if two or more are jointly the buyer their obligations can be enforced against them jointly or against each of them separately.

Catalogue The catalogue to which the conditions refer including any supplement to it.

Completion Unless otherwise agreed between seller and buyer (or their conveyancers) the occasion when both seller and buyer have complied with their obligations under the contract and the balance of the price is unconditionally received in the seller's conveyancer's client account.

Condition One of the auction conduct conditions or sales conditions.

Contract The contract by which the seller agrees to sell and the buyer agrees to buy the lot.

Contract date The date of the auction or, if the lot is not sold at the auction: (a) the date of the sale memorandum signed by both the seller and buyer; or (b) if contracts are exchanged, the date of exchange. If exchange is not effected in person or by an irrevocable agreement to exchange made by telephone, fax or electronic mail the date of exchange is the date on which both parts have been signed and posted or otherwise placed beyond normal retrieval.

Documents Documents of title (including, if title is registered, the entries on the register and the title plan) and other documents listed or referred to in the special conditions relating to the lot.

Financial charge A charge to secure a loan or other financial indebtedness (not including a rentcharge).

General conditions That part of the sale conditions so headed, including any extra general conditions.

Interest rate If not specified in the special conditions, 4% above the base rate from time to time of Barclays Bank plc. (The interest rate will also apply to judgment debts, if applicable.)

Lot Each separate property described in the catalogue or (as the case may be) the property that the seller has agreed to sell and the buyer to buy (including chattels, if any).

Old arrears Arrears due under any of the tenancies that are not "new tenancies" as defined by the Landlord and Tenant (Covenants) Act 1995.

Particulars The section of the catalogue that contains descriptions of each lot (as varied by any addendum).

Practitioner An insolvency practitioner for the purposes of the Insolvency Act 1986 (or, in relation to jurisdictions outside the United Kingdom, any similar official).

Price The price that the buyer agrees to pay for the lot.

Ready to complete Ready, willing and able to complete: if completion would enable the seller to discharge all financial charges secured on the lot that have to be discharged by completion, then those outstanding financial charges do not prevent the seller from being ready to complete.

Sale conditions The general conditions as varied by any special conditions or addendum.

Sale memorandum The form so headed (whether or not set out in the catalogue) in which the terms of the contract for the sale of the lot are recorded.

Seller The person selling the lot. If two or more are jointly the seller their obligations can be enforced against them jointly or against each of them separately.

Special conditions Those of the sale conditions so headed that relate to the lot.

Tenancies Tenancies, leases, licences to occupy and agreements for lease and any documents varying or supplemental to them.

Tenancy schedule The tenancy schedule (if any) forming part of the special conditions.

VAT option An option to tax.

We (and us and our) The auctioneers.

You (and your) Someone who has a copy of the catalogue or who attends or bids at the auction, whether or not a buyer.

AUCTION CONDUCT CONDITIONS

A1 Introduction

A1.1 Words in bold blue type have special meanings, which are defined in the Glossary.

A1.2 The catalogue is issued only on the basis that you accept these auction conduct conditions. They govern our relationship with you and cannot be disappplied or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can be varied only if we agree.

A2 Our role

A2.1 As agents for each seller we have authority to:

- (a) prepare the catalogue from information supplied by or on behalf of each seller;
- (b) offer each lot for sale;
- (c) sell each lot;
- (d) receive and hold deposits;
- (e) sign each sale memorandum; and
- (f) treat a contract as repudiated if the buyer fails to sign a sale memorandum or pay a deposit as required by these auction conduct conditions.

A2.2 Our decision on the conduct of the auction is final.

A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

A3 Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any applicable VAT.

A3.2 We may refuse to accept a bid. We do not have to explain why.

A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.

A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.

A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller's behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the seller.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the seller may fix the final reserve price just before bidding commences.

A4 The particulars and other information

A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. The particulars are based on information supplied by or on behalf of the seller. You need to check that the information in the particulars is correct.

A4.2 If the special conditions do not contain a description of the lot, or simply refer to the relevant lot number, you take the risk that the description contained in the particulars is incomplete or inaccurate, as the particulars have not been prepared by a conveyancer and are not intended to form part of a legal contract.

A4.3 The particulars and the sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A4.4 If we provide information, or a copy of a document, provided by others we do so only on the basis that we are not responsible for the accuracy of that information or document.

A5 The contract

A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.

A5.2 You are obliged to buy the lot on the terms of the sale memorandum at the price you bid plus VAT (if applicable).

A5.3 You must before leaving the auction:

- (a) provide all information we reasonably need from you to enable us to complete the sale

- memorandum (including proof of your identity if required by us);
- (b) sign the completed sale memorandum; and
 - (c) pay the deposit.
- A5.4 If you do not we may either:
- (a) as agent for the seller treat that failure as your repudiation of the contract and offer the lot for sale again: the seller may then have a claim against you for breach of contract; or
 - (b) sign the sale memorandum on your behalf.
- A5.5 The deposit:
- (a) is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller, but otherwise is to be held as stated in the sale conditions; and
 - (b) must be paid in pounds sterling by cheque or by bankers' draft made payable to us on an approved financial institution. The extra auction conduct conditions may state if we accept any other form of payment.
- A5.6 We may retain the sale memorandum signed by or on behalf of the seller until the deposit has been received in cleared funds.
- A5.7 If the buyer does not comply with its obligations under the contract then:
- (a) you are personally liable to buy the lot even if you are acting as an agent; and
 - (b) you must indemnify the seller in respect of any loss the seller incurs as a result of the buyer's default.
- A5.8 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

Words that are capitalised have special meanings, which are defined in the Glossary.

The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

G1. The lot

- G1.1 The lot (including any rights to be granted or reserved, and any exclusions from it) is described in the special conditions, or if not so described the lot is that referred to in the sale memorandum.
- G1.2 The lot is sold subject to any tenancies disclosed by the special conditions, but otherwise with vacant possession on completion.
- G1.3 The lot is sold subject to all matters contained or referred to in the documents, but excluding any financial charges: these the seller must discharge on or before completion.
- G1.4 The lot is also sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot or from the documents:
- (a) matters registered or capable of registration as local land charges;
 - (b) matters registered or capable of registration by any competent authority or under the provisions of any statute;
 - (c) notices, orders, demands, proposals and requirements of any competent authority;
 - (d) charges, notices, orders, restrictions, agreements and other matters relating to town and country planning, highways or public health;
 - (e) rights, easements, quasi-easements, and wayleaves;
 - (f) outgoing and other liabilities;
 - (g) any interest which overrides, within the meaning of the Land Registration Act 2002;
 - (h) matters that ought to be disclosed by the searches and enquiries a prudent buyer would make, whether or not the buyer has made them; and
 - (i) anything the seller does not and could not reasonably know about.
- G1.5 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against that liability.
- G1.6 The seller must notify the buyer of any notices, orders, demands, proposals and requirements of any competent authority of which it learns after the contract date but the buyer must comply with them and keep the seller indemnified.
- G1.7 The lot does not include any tenant's or trade fixtures or fittings.
- G1.8 Where chattels are included in the lot the buyer takes them as they are at completion and the seller is not liable if they are not fit for use.
- G1.9 The buyer buys with full knowledge of:
- (a) the documents, whether or not the buyer has read them; and
 - (b) the physical condition of the lot and what could reasonably be discovered on inspection of it, whether or not the buyer has inspected it.
- G1.10 The buyer is not to rely on the information contained in the particulars but may rely on the seller's conveyancer's written replies to preliminary enquiries to the extent stated in those replies.

G2. Deposit

- G2.1 The amount of the deposit is the greater of:
- (a) any minimum deposit stated in the auction conduct conditions (or the total price, if this is less than that minimum); and
 - (b) 10% of the price (exclusive of any VAT on the price).
- G2.2 The deposit
- (a) must be paid in pounds sterling by cheque or banker's draft drawn on an approved financial institution (or by any other means of payment that the auctioneers may accept); and
 - (b) is to be held as stakeholder unless the auction conduct conditions provide that it is to be held as agent for the seller.
- G2.3 Where the auctioneers hold the deposit as stakeholder they are authorised to release it (and interest on it if applicable) to the seller on completion or, if completion does not take place, to the person entitled to it under the sale conditions.
- G2.4 If a cheque for all or part of the deposit is not cleared on first presentation the seller may treat the contract as at an end and bring a claim against the buyer for breach of contract.
- G2.5 Interest earned on the deposit belongs to the seller unless the sale conditions provide otherwise.

G3. Between contract and completion

- G3.1 Unless the special conditions state otherwise, the seller is to insure the lot from and including the contract date to completion and:
- (a) produce to the buyer on request all relevant insurance details;
 - (b) pay the premiums when due;
 - (c) if the buyer so requests, and pays any additional premium, use reasonable endeavours to increase the sum insured or make other changes to the policy;
 - (d) at the request of the buyer use reasonable endeavours to have the buyer's interest noted on the policy if it does not cover a contracting purchaser;
 - (e) unless otherwise agreed, cancel the insurance at completion, apply for a refund of premium and (subject to the rights of any tenant or other third party) pay that refund to the buyer; and
 - (f) (subject to the rights of any tenant or other third party) hold on trust for the buyer any insurance payments that the seller receives in respect of loss or damage arising after the contract date or assign to the buyer the benefit of any claim; and the buyer must on completion reimburse to the seller the cost of that insurance (to the extent not already paid by the buyer or a tenant or other third party) for the period from and including the contract date to completion.
- G3.2 No damage to or destruction of the lot nor any deterioration in its condition, however caused, entitles the buyer to any reduction in price, or to delay completion, or to refuse to complete.
- G3.3 Section 47 of the Law of Property Act 1925 does not apply.
- G3.4 Unless the buyer is already lawfully in occupation of the lot the buyer has no right to enter into occupation prior to completion.

G4. Title and identity

- G4.1 Unless condition G4.2 applies, the buyer accepts the title of the seller to the lot as at the contract date and may raise no requisition or objection except in relation to any matter that occurs after the contract date.
- G4.2 If any of the documents is not made available before the auction the following provisions apply:
- (a) The buyer may raise no requisition or objection to any of the documents that is made available before the auction.
 - (b) If the lot is registered land the seller is to give to the buyer within five business days of the contract date an official copy of the entries on the register and title plan and, where noted on the register, of all documents subject to which the lot is being sold.
 - (c) If the lot is not registered land the seller is to give to the buyer within five business days an abstract or epitome of title starting from the root of title mentioned in the special conditions (or, if none is mentioned, a good root of title more than fifteen years old) and must produce to the buyer the original or an examined copy of every relevant document.
 - (d) If title is in the course of registration, title is to consist of certified copies of:
 - (i) the application for registration of title made to the land registry;
 - (ii) the documents accompanying that application;
 - (iii) evidence that all applicable stamp duty land tax relating to that application has been paid; and

- (iv) a letter under which the seller or its conveyancer agrees to use all reasonable endeavours to answer any requisitions raised by the land registry and to instruct the land registry to send the completed registration documents to the buyer.
 - (e) The buyer has no right to object to or make requisitions on any title information more than seven business days after that information has been given to the buyer.
- G4.3 Unless otherwise stated in the special conditions the seller sells with full title guarantee except that (and the transfer shall so provide):
- (a) the covenant set out in section 3 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to matters recorded in registers open to public inspection; these are to be treated as within the actual knowledge of the buyer; and
 - (b) the covenant set out in section 4 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to any condition or tenant's obligation relating to the state or condition of the lot where the lot is leasehold property.
- G4.4 The transfer is to have effect as if expressly subject to all matters subject to which the lot is sold under the contract.
- G4.5 The seller does not have to produce, nor may the buyer object to or make a requisition in relation to, any prior or superior title even if it is referred to in the documents.
- G4.6 The seller (and, if relevant, the buyer) must produce to each other such confirmation of, or evidence of, their identity and that of their mortgagees and attorneys (if any) as is necessary for the other to be able to comply with applicable Land Registry Rules when making application for registration of the transaction to which the conditions apply.
- G5. Transfer**
- G5.1 Unless a form of transfer is prescribed by the special conditions:
- (a) the buyer must supply a draft transfer to the seller at least ten business days before the agreed completion date and the engrossment (signed as a deed by the buyer if condition G5.2 applies) five business days before that date or (if later) two business days after the draft has been approved by the seller; and
 - (b) the seller must approve or revise the draft transfer within five business days of receiving it from the buyer.
- G5.2 If the seller remains liable in any respect in relation to the lot (or a tenancy) following completion the buyer is specifically to covenant in the transfer to indemnify the seller against that liability.
- G5.3 The seller cannot be required to transfer the lot to anyone other than the buyer, or by more than one transfer.
- G6. Completion**
- G6.1 Completion is to take place at the offices of the seller's conveyancer, or where the seller may reasonably require, on the agreed completion date. The seller can only be required to complete on a business day and between the hours of 0930 and 1700.
- G6.2 The amount payable on completion is the balance of the price adjusted to take account of apportionments plus (if applicable) VAT and interest.
- G6.3 Payment is to be made in pounds sterling and only by:
- (a) direct transfer to the seller's conveyancer's client account; and
 - (b) the release of any deposit held by a stakeholder.
- G6.4 Unless the seller and the buyer otherwise agree, completion cannot take place until both have complied with their obligations under the contract and the balance of the price is unconditionally received in the seller's conveyancer's client account.
- G6.5 If completion takes place after 1400 hours for a reason other than the seller's default it is to be treated, for the purposes of apportionment and calculating interest, as if it had taken place on the next business day.
- G6.6 Where applicable the contract remains in force following completion.
- G7. Notice to complete**
- G7.1 The seller or the buyer may on or after the agreed completion date but before completion give the other notice to complete within ten business days (excluding the date on which the notice is given) making time of the essence.
- G7.2 The person giving the notice must be ready to complete.
- G7.3 If the buyer fails to comply with a notice to complete the seller may, without affecting any other remedy the seller has:
- (a) terminate the contract;
 - (b) claim the deposit and any interest on it if held by a stakeholder;

- G19.2 The practitioner has been duly appointed and is empowered to sell the lot.
- G19.3 Neither the practitioner nor the firm or any member of the firm to which the practitioner belongs has any personal liability in connection with the sale or the performance of the seller's obligations. The transfer is to include a declaration excluding that personal liability.
- G19.4 The lot is sold:
- (a) in its condition at completion;
 - (b) for such title as the seller may have; and
 - (c) with no title guarantee; and the buyer has no right to terminate the contract or any other remedy if information provided about the lot is inaccurate, incomplete or missing.
- G19.5 Where relevant:
- (a) the documents must include certified copies of those under which the practitioner is appointed, the document of appointment and the practitioner's acceptance of appointment; and
 - (b) the seller may require the transfer to be by the lender exercising its power of sale under the Law of Property Act 1925.
- G19.6 The buyer understands this condition G19 and agrees that it is fair in the circumstances of a sale by a practitioner.
- G20. TUPE**
- G20.1 If the special conditions state "There are no employees to which TUPE applies," this is a warranty by the seller to this effect.
- G20.2 If the special conditions do not state "There are no employees to which TUPE applies" the following paragraphs apply:
- (a) The seller must notify the buyer of those employees whose contracts of employment will transfer to the buyer on completion (the "Transferring Employees"). This notification must be given to the buyer not less than 14 days before completion.
 - (b) The buyer confirms that it will comply with its obligations under TUPE and any special conditions in respect of the Transferring Employees.
 - (c) The buyer and the seller acknowledge that pursuant and subject to TUPE, the contracts of employment between the Transferring Employees and the seller will transfer to the buyer on completion.
 - (d) The buyer is to keep the seller indemnified against all liability for the Transferring Employees after completion.
- G21. Environmental**
- G21.1 This condition G21 only applies where the special conditions so provide.
- G21.2 The seller has made available such reports as the seller has as to the environmental condition of the lot and has given the buyer the opportunity to carry out investigations (whether or not the buyer has read those reports or carried out any investigation) and the buyer admits that the price takes into account the environmental condition of the lot.
- G21.3 The buyer agrees to indemnify the seller in respect of all liability for or resulting from the environmental condition of the lot.
- G22. Service Charge**
- G22.1 This condition G22 applies where the lot is sold subject to tenancies that include service charge provisions.
- G22.2 No apportionment is to be made at completion in respect of service charges.
- G22.3 Within two months after completion the seller must provide to the buyer a detailed service charge account for the service charge year current on completion showing:
- (a) service charge expenditure attributable to each tenancy;
 - (b) payments on account of service charge received from each tenant;
 - (c) any amounts due from a tenant that have not been received;
 - (d) any service charge expenditure that is not attributable to any tenancy and is for that reason irrecoverable.
- G22.4 In respect of each tenancy, if the service charge account shows that:
- (a) payments on account (whether received or still then due from a tenant) exceed attributable service charge expenditure, the seller must pay to the buyer an amount equal to the excess when it provides the service charge account;
 - (b) attributable service charge expenditure exceeds payments on account (whether those payments have been received or are still then due), the buyer must use all reasonable endeavours to recover the shortfall from the tenant at the next service charge reconciliation date and pay the amount so recovered to the seller within five business days of receipt in cleared funds; but in respect of payments on account that are still due from a tenant condition G11 (arrears) applies.
- G22.5 In respect of service charge expenditure that is not attributable to any tenancy the seller must pay the expenditure incurred in respect of the period before actual completion date and the buyer must pay the expenditure incurred in respect of the period after actual completion date. Any necessary monetary adjustment is to be made within five business days of the seller providing the service charge account to the buyer.
- G22.6 If the seller holds any reserve or sinking fund on account of future service charge expenditure or a depreciation fund:
- (a) the seller must pay it (including any interest earned on it) to the buyer on completion; and
 - (b) the buyer must covenant with the seller to hold it in accordance with the terms of the tenancies and to indemnify the seller if it does not do so.
- G23. Rent reviews**
- G23.1 This condition G23 applies where the lot is sold subject to a tenancy under which a rent review due on or before the actual completion date has not been agreed or determined.
- G23.2 The seller may continue negotiations or rent review proceedings up to the actual completion date but may not agree the level of the revised rent or commence rent review proceedings without the written consent of the buyer, such consent not to be unreasonably withheld or delayed.
- G23.3 Following completion the buyer must complete rent review negotiations or proceedings as soon as reasonably practicable but may not agree the level of the revised rent without the written consent of the seller, such consent not to be unreasonably withheld or delayed.
- G23.4 The seller must promptly:
- (a) give to the buyer full details of all rent review negotiations and proceedings, including copies of all correspondence and other papers; and
 - (b) use all reasonable endeavours to substitute the buyer for the seller in any rent review proceedings.
- G23.5 The seller and the buyer are to keep each other informed of the progress of the rent review and have regard to any proposals the other makes in relation to it.
- G23.6 When the rent review has been agreed or determined the buyer must account to the seller for any increased rent and interest recovered from the tenant that relates to the seller's period of ownership within five business days of receipt of cleared funds.
- G23.7 If a rent review is agreed or determined before completion but the increased rent and any interest recoverable from the tenant has not been received by completion the increased rent and any interest recoverable is to be treated as arrears.
- G23.8 The seller and the buyer are to bear their own costs in relation to rent review negotiations and proceedings.
- G24. Tenancy renewals**
- G24.1 This condition G24 applies where the tenant under a tenancy has the right to remain in occupation under part II of the Landlord and Tenant Act 1954 (as amended) and references to notices and proceedings are to notices and proceedings under that Act.
- G24.2 Where practicable, without exposing the seller to liability or penalty, the seller must not without the written consent of the buyer (which the buyer must not unreasonably withhold or delay) serve or respond to any notice or begin or continue any proceedings.
- G24.3 If the seller receives a notice the seller must send a copy to the buyer within five business days and act as the buyer reasonably directs in relation to it.
- G24.4 Following completion the buyer must:
- (a) with the co-operation of the seller take immediate steps to substitute itself as a party to any proceedings;
 - (b) use all reasonable endeavours to conclude any proceedings or negotiations for the renewal of the tenancy and the determination of any interim rent as soon as reasonably practicable at the best rent or rents reasonably obtainable; and
 - (c) if any increased rent is recovered from the tenant (whether as interim rent or under the renewed tenancy) account to the seller for the part of that increase that relates to the seller's period of ownership of the lot within five business days of receipt of cleared funds.
- G24.5 The seller and the buyer are to bear their own costs in relation to the renewal of the tenancy and any proceedings relating to this.
- G25. Warranties**
- G25.1 Available warranties are listed in the special conditions.
- G25.2 Where a warranty is assignable the seller must:
- (a) on completion assign it to the buyer and give notice of assignment to the person who gave the warranty; and
- (b) apply for (and the seller and the buyer must use all reasonable endeavours to obtain) any consent to assign that is required. If consent has not been obtained by completion the warranty must be assigned within five business days after the consent has been obtained.
- G25.3 If a warranty is not assignable the seller must after completion:
- (a) hold the warranty on trust for the buyer; and
 - (b) at the buyer's cost comply with such of the lawful instructions of the buyer in relation to the warranty as do not place the seller in breach of its terms or expose the seller to any liability or penalty.
- G26. No assignment**
- The buyer must not assign, mortgage or otherwise transfer or part with the whole or any part of the buyer's interest under this contract.
- G27. Registration at the Land Registry**
- G27.1 This condition G27.1 applies where the lot is leasehold and its sale either triggers first registration or is a registrable disposition. The buyer must at its own expense and as soon as practicable:
- (a) procure that it becomes registered at Land Registry as proprietor of the lot;
 - (b) procure that all rights granted and reserved by the lease under which the lot is held are properly noted against the affected titles; and
 - (c) provide the seller with an official copy of the register relating to such lease showing itself registered as proprietor.
- G27.2 This condition G27.2 applies where the lot comprises part of a registered title. The buyer must at its own expense and as soon as practicable:
- (a) apply for registration of the transfer;
 - (b) provide the seller with an official copy and title plan for the buyer's new title; and
 - (c) join in any representations the seller may properly make to Land Registry relating to the application.
- G28. Notices and other communications**
- G28.1 All communications, including notices, must be in writing. Communication to or by the seller or the buyer may be given to or by their conveyancers.
- G28.2 A communication may be relied on if:
- (a) delivered by hand; or
 - (b) made electronically and personally acknowledged (automatic acknowledgement does not count); or
 - (c) there is proof that it was sent to the address of the person to whom it is to be given (as specified in the sale memorandum) by a postal service that offers normally to deliver mail the next following business day.
- G28.3 A communication is to be treated as received:
- (a) when delivered, if delivered by hand; or
 - (b) when personally acknowledged, if made electronically; but if delivered or made after 1700 hours on a business day a communication is to be treated as received on the next business day.
- G28.4 A communication sent by a postal service that offers normally to deliver mail the next following business day will be treated as received on the second business day after it has been posted.
